

11TH TRENDS IN MEDICAL MYCOLOGY

EUROPEAN CONFEDERATION OF MEDICAL MYCOLOGY (ECMM)

Eligibility statement / ECMM Young Investigators Travel Award

ABOUT THE AWARD

The ECMM Young Investigators Travel Award facilitates young, non-established investigators in medical mycology to attend the Trends in Medical Mycology Congress. As a rule, the Awardee will be selected from among those presenting an oral or a poster in the TIMM Congress.

The presentations are judged by a Prize Committee on the basis of the scientific quality, including novelty, reliability and significance, of the Awardee's presentation. The sum of the Award is presently 1000 EUR.

Eligibility: The Award is meant for young (not older than 35 years) persons. The Awardee should not hold an established (other than grant-funded) post in medical mycology. It is also wished that the Awardee is a member of a national society or at least aims to apply for membership. Eligible first or presenting authors are preferred, but an outstanding team may be selected if it can direct the Award to junior co-authors who are eligible.

These individuals and teams wishing to be considered as candidates of the Award in the 11th TIMM congress in Athens, 2023, are kindly asked to fill in this form and submit it to the Congress Secretariat at first convenience.

AUTHORS' STATEMENT

Concerning our presentation, titled: _____

By authors (please mark the presenting author): _____

If presented as an oral, oral number:

If presented as poster, poster number:
